

GOVERNMENT OF THE DISTRICT OF COLUMBIA  
BOARD OF ZONING ADJUSTMENT

**Application No. 16337** of the Church of Jesus Christ, pursuant to 11 DCMR 3108.1, for a special exception under Section 205 to establish a child development center for 80 children and eight staff persons in a R-1-B District at premises 3456 Pennsylvania Avenue, S.E. (Square 5528, Lot 814).

**HEARING DATE:** June 3, 1998

**DECISION DATE:** June 3, 1998 (Bench Decision)

**CORRECTED SUMMARY ORDER\***

\*This order replaces the Board's order for this application dated July 2, 1998, and corrects the address of the premises from 3556 Pennsylvania Avenue, S.E. to 3456 Pennsylvania Avenue, S.E.

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 7B and to owners of property within 200 feet of the site.

The site of the application is located within the jurisdiction of ANC 7B. ANC 7B, which is automatically a party to this application, submitted a written statement in opposition to the application. The Board was unable to give "great weight" to the ANC's written report because the correspondence did not contain the information required by Section 3307 of the Zoning Regulations.

As directed by 11 DCMR 3324.2, the Board required the applicant to satisfy the burden of proving the elements which are necessary to establish the case for a special exception pursuant to 11 DCMR Section 205. Advisory Neighborhood Commission 7B, the Penn-Branch Citizens/Civic Association, and several abutting property owners submitted written statements and presented oral arguments in opposition to the application. During the hearing process, the Board determined that the residents were not opposed to the existence of the child development center. Rather, the residents' testimony indicated that they wanted a measure of assurance that the child development center would not adversely affect abutting properties and the residential neighborhood. After a thorough discussion of the issues, the Board was satisfied that all matters were resolved during the hearing process. In addition, the conditions contained herein establish parameters for operation of the child development center

Based upon the record before the Board, the Board concludes that the applicant has met the burden of proof, pursuant to 11 DCMR 3108, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board

further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map. It is therefore **ORDERED** that the application be **GRANTED, SUBJECT** to the following **CONDITIONS**:

1. Approval shall be for a period of three (3) years, expiring concurrently with BZA Application No. 16338.
2. The number of children shall not exceed eighty (80). The number of employees shall not exceed eight (8).
3. The ages of the children shall be infants through five (5) years old.
4. The hours and days of operation shall be 6:00 a.m. to 7:00 p.m., Monday through Friday.
5. The applicant shall provide 40 on-site parking spaces.
6. Outdoor playtime shall be staggered so that all the children shall not be on the play area at one time. Diligent efforts shall be taken by the applicant to reduce noise in the play area and when the children are escorted through the neighborhood.
7. Drop off and pick up of children shall occur at the entrance into the building from the parking lot. Access to the site shall be via a one-way driveway accessed by the ramp from Pennsylvania Avenue and exiting onto 38<sup>th</sup> Street.
8. The applicant shall work cooperatively and collaboratively with the community to maintain a community liaison program. Meetings with Advisory Neighborhood Commission 7B and the Penn-Branch Citizens/ Civic Association shall be held on a regular basis. The parties, at their discretion, shall determine the number of meetings. The meetings shall occur, at minimum, twice yearly. The applicant shall be responsible for keeping minutes of all meetings and providing quarterly reports of its activities. The applicant shall file copies of all minutes and quarterly reports with the Board at the time of filing an application for continuance of the special exception relief.
9. The applicant shall mitigate soil erosion on the 38<sup>th</sup> Street frontage of the property by planting the appropriate materials. All landscaping on the site shall be maintained in a neat and healthy growing condition.

10. The applicant, in conjunction with the community, shall consult with the Department of Public Works (DPW) to determine if a guardrail is necessary along the west side of the Pennsylvania Avenue access.
11. The property shall be kept free of refuse and debris at all times. Any outdoor trash storage containers shall be screened from view by fencing or landscaping.

Pursuant to 11 DCMR 3301.1, the Board has determined to waive the requirement of 11 DCMR 3331.3 that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is appropriate in this case.
